

Places29 Public Workshop Report & Audio
written by Newspark Team | November 8, 2005

On November 3, 2005, Albemarle County hosted a Places29 public workshop providing an important opportunity for residents to share their feedback on the future of the Route 29 North corridor.

Download updated draft of the

PLACES29 VISION STATEMENT

The public had the opportunity to review and provide feedback on three interim land use and transportation plans for the Route 29 North area. Small groups evaluated the maps and provided suggestions reflecting what they think will work best for the future of this area of Albemarle County.
