

Which Nifty Fifty topic would you like us to feature in Week 3?
written by Newspack Team | June 8, 2015

Majestic murals? Hot historic sites? Terrific trees?

What should be our theme for Week 3 of Charlottesville Tomorrow's summer photo event: Nifty Fifty?

Each week, we will choose a category (i.e. Cityscapes) and invite you to send us your photos via email to photos@ or suggest a place for us to photograph. Staff will compile your photos in our weekly slideshow on Fridays. After 10 weeks, we'll have the Nifty Fifty- 50 things that make this area special and unlike any other.

View our slideshow of Cityscape photos from Week 1: Nifty Fifty - Week 1: Cityscapes and submit your Landscape photos for Week 2 to photos@ by Thursday, June 11.

Have fun and look out for our slideshow and new category posted every Friday on our website and Facebook!
