RE: National Ground Intelligence Center

Dear Members of the Board:

I would like to request the following boundary line adjustments on the attached plat:

The parcels outlined in green being the addition of Tax Map 33 Parcel 1 and Tax Map 33 Parcel 2 which should be approximately 20 acres and identified as Parcel A on the attached plat and Parcel B which will be the balance of Tax Map 33 Parcel 1F, a small corner of Tax Map 33 Parcel 14 and a portion of Tax Map 33 Parcel 15 consisting of approximately 13 acres. I would suggest deleting Parcel C with a boundary line adjustment to conform to property lines which would consist of approximately 2.5 acres. This request would be for a net increase and boundary line adjustment of approximately 30 acres.

To further the concept of good planning it would make sense to add Tax Map 21 Parcel 14C and the balance of Tax Map 33 Parcel 15.

Thank you for your consideration.

Sincerely,
